### Christian Is a Follower of Jesus

First Believe—Then Follow.

Jesus went about doing good to others. Finally He died to save sinners like you and me. We would feel much better at night, if we could think of a good deed we had done during the day. Probably a friend or an acquaintance of yours has lost a loved one. Show him that you're a heart inside of you. Here is a widow in need. Relieve her suffering. Here is a man so engrossed in saving lifeless dollars that his soul is starving. Buy a word to him as brother to brother. Don't be selfish with your religion. The more you give the more you have.

Bring some friends to church today. You and your friends will receive a cordial welcome.

#### THE CHURCHES OF TULSA INVITE YOU.

## INTERESTING FACTS

106,327 Ford Cars and Trucks Retailed in November

Approximately the same number scheduled for delivery this month

### What Does This Mean?

This volume of deliveries to actual owners is entirely unprecedented for this time of the year—

It has taxed the manufacturing ability of the Ford plants working at full capacity—

It indicates a volume of business during the rapidly approaching months of "heavy demand" which will be far beyond the maximum production schedule which the Ford Motor Company has set—

And that means a Ford shortage even more acute than the one which existed last Spring and Summer.

Dealers' stocks all over the country are low—there are no reserves to draw upon to meet the demands for delivery—There is no way in which dealer reserves can be built up, as deliveries have been made to customers as fast as Cars could be manufactured since last April.

The only way you can protect your desire to obtain prompt delivery of a Ford even at this time is to place your order immediately.

This emphasizes more strongly than anything we could possibly say the necessity of your making prompt arrangements with a Ford Dealer for delivery of your order, particularly if you are contemplating the purchase of a Ford Car for the next Spring or Summer.

We have you entitled to know these facts as they actually exist.
